Sign up to get *The Californian* by email!

If you choose to receive the email edition, you will save GSMOL considerable printing and postage costs, which in turn saves your membership dollars for other important work we do. Many members who have a computer find that the print in the email version is sharper and easier to read, and the font size can be increased to help those with vision problems. And you never lose an edition if you save it to a folder on your desktop.

If you would like to switch to the email version, please contact Lorraine in the GSMOL Office, 800-888-1727 between 10:00 AM and 2:00 PM, or email her at gsmolgoldenstate@gmail.com. You may also make this choice when you renew your membership. Thank you. We are grateful to your contribution to reducing our expenses.
