

RENEW YOUR GSMOL MEMBERSHIP ON OUR WEBSITE!

Here is an easy way to keep your GSMOL membership up to date! All you need to do is set up an account on the GSMOL website, and from then on you can renew online!

TO SET UP YOUR ACCOUNT AND PASSWORD:

Go to <https://gsmol.org>

- Go to the **Members** tab in the upper right corner.
- Click on **Request a Login**.
- Fill in the form and submit it.
- You will receive an email with instructions for setting your password. This may take a day or two, since website accounts must be created manually by a person.

TO RENEW YOUR MEMBERSHIP ONCE YOUR ACCOUNT IS SET UP:

1. Go to **Members** and click on **My GSMOL Account**.
2. Login with your email address and the password you set.
3. On the screen that appears, click on **Subscriptions**.
4. On the next screen, you will see your current or previous membership information.
5. If you want to renew the same type of membership, click on **Renew**. (If your current membership has expired, it might say **Subscribe** instead.) If you want to change the type of membership, click on **Change Plan**. **Change Plan** will lead you to a pop-up box where you can choose a different membership type.
6. The next page will have a button on it which may say either **Renew** or **Join GSMOL Today**. Click on that and it will take you to PayPal.
7. When the PayPal screen comes up, you can scroll down to find the option to pay by credit or debit card if this is what you want to do.

If you have questions about website renewal or your login account, email to websitemanager@gsmol.org
